PROFILE

Passionate Frontend Developer proficient in HTML, CSS, and JavaScript, with a strong focus on building responsive, intuitive, and engaging user interfaces. Eager to contribute to a collaborative, fast-paced team where design thinking and user experience drive real value.

PROJECTS

-Jun 2025

Responsive Portfolio Website with Interactive Sidebar

Technologies Used: Html, Css, Javascript, React.js

Designed and developed a personal portfolio with a clean layout, interactive sidebar, and seamless navigation to showcase projects and skills effectively. Enhanced user experience with a fully responsive design across devices.

Student Registration Portal

-jul 2025

Technologies Used: Html, Css, JavaScript, Mysql, PHP

Built a fully responsive restaurant website with intuitive sections for menu, contact, and testimonials. Used custom CSS for styling and JavaScript for interactivity, including image sliders, dynamic filtering, and smooth navigation.

Interactive Restaurant Menu Web Application

-jul 2025

Technologies Used: HTML, CSS, JavaScript

Developed a fully responsive web app that dynamically displays food items with images, prices, and descriptions, featuring category-based filtering (Breakfast, Lunch, Shakes, All) for instant reload-free browsing and navigation to detailed item pages.
